

Peel Zoo Volunteer Enrichment Team

Information Pack and Application Form

Volunteering at Peel Zoo

Peel Zoo volunteers are vital members of the Peel Zoo team. Our volunteers are involved in many different areas of the zoo. We currently have three volunteer teams, the Education Team, the Enrichment Team, and the Animal Husbandry Team.

Our volunteer program is focused on improving the skills and experiences of our volunteers. In this endeavour, all volunteers must pass a theoretical and practical assessment during their tenure at the zoo. These assessments are designed to ensure that each volunteer leaves Peel Zoo with a nationally comparable certification, which means our volunteers are valued Australia-wide.

The Role of the Enrichment Team

Joining the Peel Zoo Enrichment Team is a valuable first step for enthusiastic, hard-working individuals who are looking to further their passion for conservation. As a member of the Peel Zoo Enrichment Team you will be working alongside our dedicated and professional staff. Specifically, it is your job to make and provide toys and activities for our huge variety of Australian animals. In other words, make the animals happy. The Enrichment Team is focused on ensuring that our animals' lives are engaging and interactive. As member of the team you will be involved in every stage of the enrichment program and you will develop a close relationship with, and appreciation for, the interesting and engaging wildlife with which you have the privilege to work.

Is Volunteering for You?

People volunteer for a variety of reasons, to experience the role of a zookeeper, to further their career aspirations, or as a way to give back to native wildlife. Regardless of your personal motivations volunteering is a great way to show potential employers that you are dedicated and team-oriented. You will also gain experience with a variety of animals and improve your knowledge and expertise.

At Peel Zoo we are committed to providing our customers with a hands-on experience allowing them to interact with unique native wildlife up-close. These interactions are facilitated and encouraged by our friendly and approachable staff and volunteers. Engaging and interacting with customers is a vital skill that all staff and volunteers at the zoo must provide.

We expect the same standards of work, professionalism, and commitment from our volunteers as we do our paid staff.

Why Peel Zoo?

Peel Zoo is a customer-oriented, privately-run zoo in Pinjarra, Western Australia. As a Zoo Aquarium Association (ZAA) accredited institution we meet the highest national industry standards. Our expertise and dedication is reflected in our ongoing success in many areas, not least our highly successful breeding program for the critically endangered Tasmanian devil.

Employment vacancies are often offered to hard-working and dedicated members of our volunteer program prior to being publically advertised; however participation in the volunteer program does not guarantee employment at Peel Zoo.

Eligibility for the Enrichment Team

All applicants for the Enrichment Team must:

- Be 16 years of age, or older
- Be physically fit and able
- Commit to a minimum of one four-hour shift per week, for a period of three months. (Volunteers may extend their three month commitment only at the express approval of the Zoo Director.)
- Pass a Federal Police Clearance (if requested)
- Pass a Working with Children Check (if requested)
- Maintain Peel Zoo's dress code
- Follow Peel Zoo's policies and procedures
- Pay a non-refundable fee of \$199.00 payable as a donation to the Peel Zoo Foundation (includes \$50.00 deposit for purchase of Enrichment Team t-shirt)
